1 SECTION 1 – Airport Operational Instructions

1.1 Aims and Objectives

Airport Operational Instructions (AOI's) are issued to reflect changes in operational procedure. The Compliance department has responsibility for issuing operational Instructions, which can take the form of Temporary AOI's (TAOI's), Airport Operational Instructions (AOI's) or Operational Notices (OPNOT's).

1.2 Procedures

These instructions should be retained by all manual holders until such time as they are either incorporated in the Aerodrome Manual or are withdrawn.
